SUPPLEMENTARY INFORMATION:

I. Background

DOE published a final rule in the *Federal Register* on August 16, 2022, amending the test procedure for ceiling fans. 87 FR 50396. This correction addresses a numbering error in that final rule. The instruction amending 10 CFR 430.3(p) states that DOE is “Adding note 1 to paragraph (p).” However, in the amended regulatory text, the added note is written as “Note 2 to

paragraph (p).” *Id.* at 50424. This document corrects the regulatory language to read “Note 1 to paragraph (p).”

In final rule FR Doc. 2022-16951, published in the issue of Tuesday, August 16, 2022 (87 FR 50396), the following correction is made:

§430.3 [Corrected]

1. On page 50424, in the first column, in §430.3, “Note 2 to paragraph (p)” is corrected to read “Note 1 to paragraph (p)”.
